

CROSSINGS

STUDENT CAMP DATES

JUNE 11-15, 2023

JONATHAN CREEK – HARDIN, KENTUCKY

Mission Statement

We create experiences to proclaim the Gospel.

Bible-Saturated

God's Word, through the power of the Holy Spirit, has the sole power to change lives (2 Timothy 3:14-17; Hebrews 4:12; 2 Peter 1:3-4; James 1:22-25). Because the Word of God alone has this power, you will find our camps saturated with practical and robust biblical teaching. Every student and kid will have the opportunity to open their Bible and consider God's Word at least four times every single day.

Vibrant Worship

We work diligently to provide a worship program that teaches God's Word through song and is relevant, energetic, and invites students to participate and engage. Worship is the goal of our redemption, and we want every student to experience Christ-centered and God-glorifying worship.

Core Values

- Embody a Christ-like character
- Pursue Excellence – learn, create, evaluate, respond
- Honor Up, Down, and All Around – always and only value, edify, and speak well of others
- Be a Servant – see a need, meet a need #WhateverItTakes
- Mission First – organizational over personal
- Have fun!

Why Crossings?

More than anything, Crossings is centered around providing opportunities for students to hear the Gospel proclaimed. The main goal of Crossings is to see students “cross over” from death to life. Crossings is designed specifically so that every aspect of the camp is intentionally infused with the Gospel. The high energy of the camp allows students to experience life-changing moments in an exciting way.

The Gospel is the center focus of Crossings – through teaching, worship, small groups, activities, staffers, personal devotion time, and church group time. Students are intentionally encompassed with the Gospel for a solid week and are challenged to deliberately focus on their relationship with God.
