MISSISSIPPI

JULY 8-12, 2024
MISSISSIPPI COLLEGE – CLINTON, MS

What is Super Summer?

Super Summer is a discipleship/evangelism leadership conference designed to provide qualitative spiritual growth and help develop student leadership in Mississippi churches. Super Summer is designed specifically for students who personally have a desire to grow spiritually. Students not only learn, but they also are challenged to share and live out their faith. Students must complete requirements in order to participate in Super Summer.

Super Summer is designed to build on the previous years, however, students who don't go all the way through still can participate in the schools designed especially for them. Students are divided into schools based on the number of years they have attended. Students spend the majority of their time in these schools where they are taught curriculum focused on the teaching principle for that year. Students are taught by Servant Staff, youth ministers and other church leaders that are selected by the Super Summer Planning Team. Students also participate in small groups led by trusted college leaders that have been selected to serve.

What are the Schools?

Students are divided into schools based on the number of years they have attended. Each year the curriculum builds on the previous years and is based on the acronym LEAD (leadership, evangelism, apologetics, and discipleship). Students will focus on one of these topics as they move through each year and school.
